

What They Do ⇔ Skills They Need

As you watch the videotape, revise and add information about newspaper jobs and the skills they require to the graphic organizer “What They Do ⇔ Skills They Need.”

- Consider these questions:
 - Who helps produce the paper?
 - What do they do?
 - What skills do they need?
- Raise your hand when you see new or more accurate information for the organizer. Add that information.
- In at least three sentences, describe a newspaper job or skill that you did not know about before watching the video.
