

Five Steps to a Successful Story

- Review the graphic organizer “What They Do ⇔ Skills They Need.”
- Select a task from one of the job descriptions.
- Decide at what step of the writing process the task would be done.
- On the graphic organizer “Five Steps to a Successful Story,” list the task on the appropriate step.
- Select another task from one of the job descriptions and repeat the procedure above.
- Select at least ten more tasks from the job descriptions on the graphic organizer “What They Do ⇔ Skills They Need” and repeat the same procedure.
