

TC 2-1

Different Kinds of Stories

- Find examples of at least three of the newspaper story categories included in the graphic organizer: News Stories, Feature Stories, Analysis Stories, Editorials and Columns.
- Consider questions such as these:
 - Do the news stories contain only facts?
 - Who or what is featured in the feature stories?
 - Which kinds of stories offer opinions or take a position?
 - Who might be interested in the issues analyzed in some stories?
- Write the headline of each example in the appropriate section of the graphic organizer.
- Share your examples of kinds of stories with the rest of the class.
