

TC 3-1

Identifying Sources of Information

- Write your assignment from Unit 2, Lesson 12, in the center of the “Where to Look” graphic organizer (GO 3-1)
- Consider these questions and jot answers to them in the appropriate place on the graphic organizer:
 - What do I/we already know about the topic?
 - What do I/we need to know?
- Review the list of sources and your notes on each. Then consider this question, and write your ideas on the graphic organizer:
 - Where would I/we be likely to find the information I/we need?
- Plan what you have to do to gather information from the sources you have identified.
